

Souhegan Valley Rides

*A curb-to-curb shared ride bus service
We get you there and back!*

Thank you for your interest in the Souhegan Valley Transportation Collaborative and the Souhegan Valley Rides dial-a-ride bus service.

We greatly appreciate your interest and support as we work together to make regional bus service a permanent resource in the Souhegan Valley. It is because of the generosity of local individuals, businesses and foundations that SVTC has been able to provide this needed lower-cost, wheelchair-accessible transportation option to residents of six Souhegan Valley towns - Amherst, Brookline, Hollis, Milford, Mont Vernon and Wilton. We are grateful to all who have been so generous and supportive of Souhegan Valley Rides.

Donations to SVTC should be made out and mailed to our fiscal agent the *Nashua Regional Planning Commission* (NRPC) with *SVTC bus service* in the memo line. The NRPC mailing address is as follows:

Nashua Regional Planning Commission
30 Temple Street, Suite 310
Nashua, NH 03060

Should you require it for your records, NRPC's EIN number is 02-0301585. For tax purposes, NRPC will send you a confirmation letter.

For your information, under NH State law, the regional planning commissions are considered "political subdivisions" of the State and as per NH RSA 36:49 "Any private gifts or funds when received shall be deemed a contribution to the regional planning commission for a public purpose within the meaning of any federal or state laws relative to tax exemptions." However, we do advise you to confer with your tax advisor.
