Revised Nov 2015

If you have Medicaid insurance, please contact your Medicaid insurance provider and ask about arranging rides for non-emergency medical or healthcare appointments through their transportation provider.

Our mission is to provide affordable, wheelchair-accessible transportation for non-emergency healthcare appointments and other essential activities especially to those in greatest need – senior citizens, residents living with a disability, and residents who are unable to drive. Other residents may use the service as space is available.

Sometimes there are scheduling conflicts when trying to help as many residents as possible. We greatly appreciate your flexibility and understanding when these situations arise!

How far in advance can I schedule my ride?

Please call 880-0100 extension 1 at least 2 business days in advance, weekdays 8AM-5PM, to schedule your ride. Riders can call up to two weeks in advance to schedule a ride.

What if I no longer need a ride?

It is very important that you call NTS if you are not going to need a scheduled ride. To cancel a ride, call 880-0100 extension 1 at least 24 hours before your scheduled ride.
