### **What information do I need to schedule my ride?**

- Your full name
- Your telephone number
- The date of your trip
- The pick-up address
- The drop-off address
- Whether you use a mobility device
- The times you would like to arrive at and return from your destination
- Whether a guest or Personal Care Attendant will be riding with you

### **How far in advance can I schedule my ride?**

Please call 880-0100 extension 1 at least 48 hours in advance on weekdays to schedule your ride. For example, rides needed on Monday must be scheduled by the previous Thursday; rides for Wednesday must be scheduled by the previous Monday. Riders can call up to two weeks in advance to schedule a ride.

### **What if I no longer need a ride?**

It is very important that you call NTS if you are not going to need a scheduled ride at least 24 hours before your scheduled ride. NTS can only accept cancelations called in on weekdays. Riders with frequent late cancelations or no-shows jeopardize their privilege to use the bus service, add to the cost of operating the service, and disrupt the bus service's efficiency. To cancel a ride, please call 880-0100 extension 1.
